Transportation Programming

Ref: **STIP AMENDMENT 02S-109**

The Riverside County Transportation Commission (RCTC) is requesting the California Transportation Commission (Commission) approve this State Transportation Improvement Program (STIP) amendment. This amendment was noticed at the October 2003 Commission meeting. There were no questions on the Notice and the Commission requested the Action Item be placed on the consent calendar for the December 2003 meeting.

RCTC proposes to delete \$1,875,000 in Regional Improvement Program (RIP) funds in FY 2003-04 for construction of the Hobsonway Arterial Improvement project (PPNO 0000C). The \$1,875,000 in RIP funds will revert back to Riverside County's unprogrammed share balance.

RECOMMENDATION:

The Department of Transportation (Department) recommends that the item be placed on the consent calendar for approval.

BACKGROUND:

The Hobsonway Arterial Improvement project consists of reconstructing pavement, replacing signals and other street improvements in the City of Blythe. Due to the current funding situation, the City of Blythe has implemented this project with local funds. RCTC requests that the unallocated RIP funds be returned to Riverside County's unprogrammed share balance in the 2004 STIP.

RESOLUTION:

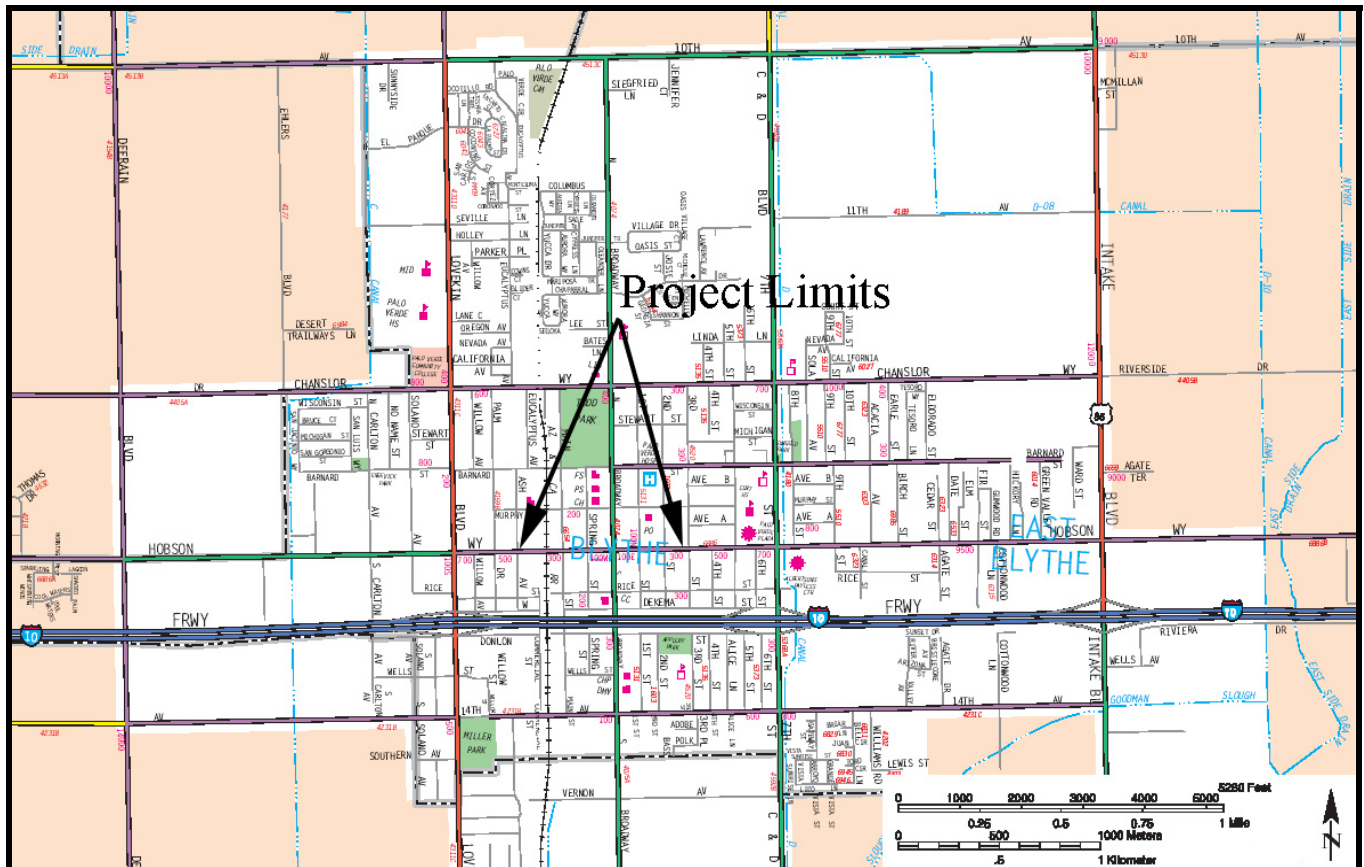

Resolved, that the California Transportation Commission (Commission) revise the 2002 State Transportation Improvement Program (STIP) at the end of the 30-day notice period as follows:
